ARSHEXA is a Korean-Based Company founded in 2015 that serves Both Local and Global Art Communities. They provide Customized Services to changing Needs and strive to stay ahead of the Curve in the Constantly Evolving Art Market....

- Vision

To promote and advance Korea as a Strong Art Influencing Nation by building Infrastructure and Developing Contents, and to contribute to heightening the Global Standard for Art Business by becoming an Important Hub for Art.

- Mission

They serve Both Local and Global Art Communities, providing Customized Services to changing Needs. They strive to create a Large Art Complex serving as the Art Hub in Asia, starting with their Development Project for Freeport in "Incheon International Airport". They embrace the Changing Art Market and use Data-Driven IT Solutions to innovate the Way People perceive and interact with Art.

* Slogan

Experience the Art of Excellence: Empowering the Global Art Community and Fostering Art Education.

* Naming

ARS + HEXA = ARSHEXA

ARSHEXA's Name is a Combination of Two ancient Languages, Latin and Greek.

"Ars" from Latin means "Art," referring to the Field of Art or the Pursuit of Excellence in Any Endeavor.

"Hexa" from Greek means "Six," a Number that symbolizes Balance and Perfection and has Significant Mathematical and Scientific Significance.

The Hexagon Shape also represents Security and Stability.

- AH FREEPORT

Key Elements of this Service include Transportation, Storage, Warranty, Restoration, and Appraisal. These Solutions are Essential to the Needs of Galleries and Institutions for their Collections.

- Art Storage

* Art storage is a Facility with the Best Environment for protecting and storing Art, such as Constant Temperature and Humidity. The Security of the Facility itself, as well as the Security of the Area where the Facility is located, is essential, and the Access of Users and Goods must be strictly controlled. AH Freeport Storage is located at Incheon Airport, so a Very High Level of Security System is applied. It also has Extensive Size Storage Facilities and provides Space optimized for each Facility's Use.

- Viewing Room

Located on the Fourth Floor, the Viewing Room is designed as a Conference Room for Small Events and Receptions. AH Freeport Customers can enjoy their Work in the Viewing Room and use it as a Business Room. Experience the Actual Value of your Artwork in a Luxurious Interior Space with Natural Light in the Background of Tak-In Airport.

- Shipping

* Delivery of Valuable Works safely to the Incheon International Airport Storage through the Art Transportation Service. It deals with all Types of Art, including Painting, Sculpture, and other Delicate Sculptures. A Team of experienced Art Handlers uses the Latest Equipment and Vehicles Customized to protect the Artwork during Transportation. It also coordinates International Shipping, Customs Clearance, and Import and Export Documents to provide a Complete Door-To-Door Service for your Convenience.

- Packing

* The Professional Packaging Service for Artworks is designed to protect the Artwork from Damage during Transportation and

Storage. Experts evaluate each Product and create a Custom Packaging Solution using High-Quality Materials such as Neutral Tissue Paper, Bubble Wrap, and Custom Boxes. Consider Factors such as the Work's Size, Weight, Material, and Vulnerability to ensure the Highest Level of Protection and Management.

- Insurance

* The Art Archive has advanced Security Devices such as 24-Hour Video Surveillance, Access Control Systems, and Fire Protection. Insurance Policies are preparing Countermeasures against a Wide Range of Cases, including Theft, Damage, and Natural Disasters. Work closely with Art-Optimized Insurers to provide Flexible and Diverse Coverage Options for Specific Needs.

- Restoration

* Art Restoration Services help you maintain the State and Value of your Art. It covers a Variety of Media, including Paintings, Sculptures and Mixed Media, and produces Accurate Reports on the Condition of the Work. It also uses State-Of-The-Art Technology and Materials to provide Professional Services for Restoration to preserve the Original Integrity of the Work. Restoration Services such as cleaning, repairing Damage and resolving Aging Issues allow you to keep your Work Intact.

- Appraisal

* Understanding the Value of Art is essential for Insurance and Sales.

Appraisal Services determine the Value of Art Objects, including Paintings, Sculptures and other Collectibles. They conduct Thorough Research and Market Analysis to determine the Current Value of the Piece and provide a Detailed Written Appraisal Report.
